

## Commodores Report 2020

In what has been an unprecedented year worldwide, we as a Club have faced unusual challenges - and none of them on the water. I would like to thank all of those on the committee for the help and time dedicated to the PSBSC, with no actual sailing to make it all seem worthwhile.

With new challenges such as virtual meetings to get our heads around, we have kept the basic running of the PSBSC in check. The generosity of our members has enabled the Club to stay afloat financially into next year. We cannot thank everyone enough for this. Being part of this small Club clearly holds happy memories for so many, and this was demonstrated by the rush of updated memberships, and donations received when we reluctantly put out a cry for help.

We continue to live in times of uncertainty, but I can only hope that we get back to some sort of business as usual in time for the 2021 season. I cannot wait to see the boats back out on the water, and look forward in hope that next years commodore duties are a bit more traditional.

Thankyou

Fiona K MacKenzie
