

## **Honorary Secretary Report 2020**

Hope you are all well.

There is not much to report on this year from my side, just a few thanks to get through.

Thanks to those on the committee for getting us through another year without too many arguments.

Thanks to the remaining committee members for continuing into another year and Fiona for continuing as Commodore.

The following members have retired from the committee this year, Morag, Sarah, Malcolm, Daisy and Tristan. I would just like to take this moment to thank them all for their essential work over many years and have contributed so much to the club and each member will be difficult to replace, some literally, as we still have no time keeper or training principle.

Anyway going forward due to the positive response to obtaining funds for the club, we can all be confident that the club will be around for a good while longer yet. I personally want to see the club grow and grow and I don't believe it to be a difficult task. It just needs commitment from those interested in keeping the club alive and a commitment from us on the committee to make it easier and fun to be part of, which I assure you we are working on already.

Looking forward to seeing you all next season and let's hope we can get some sailing in.

Thanks

Neil MacRae
