

COURSE EVALUATION

Title Cascade Theatre Company
Lecturer Carol and Kit
Date Thursday 9th August

Participants' views on the relevance of the session to their needs

Were the objectives met?

Team Building Yes 13 No 0
Professionalism Yes 13 No 0

Something I have learned from this session

Know members of the group better (2)
Colleagues names
What being a 'dentist' means
Maintaining principles
Professionalism
Principles of teamwork
The importance of teamwork
Difference of living in a small town compared to a city
Brought professionalism to the forefront of my mind
To have fun but to remember professionalism is the key
Team building and strategy
Communication/clarity/be understanding/teamwork

Something I will do differently following this session

More respect for all team members
Make sure I am aware of how I act
Interact more with team members
Be more communicative
Reflect more

Be more aware of your role
Appreciate team members more (2)
Keep working relationships in mind at all times
Be more aware outside the workplace

Further education I will find useful

Conflict resolution
Conflict resolution
Body language
More and similar session at the end of VT
Dentist-patient relationship

I enjoyed the session because

Lighthearted, fun but still educational
It was different
Very interactive and funny
Good team building experience
Carol and Kit very nice
Carol and Kit hilarious
Active format
Kept us active and motivated
It was teaching/entertaining/useful
Team building

The session could be improved by

Felt a little patronised. Success does not equal 'shed loads of cash'
Being shorter
Could be shorter
Less lengthy
Removing the A-Z section
A handout/summary
Shorter
Shorter
Handout

Participants recommend a similar session for next year's VT programme
