

Peterborough Trials Club

Harry Bone Trial

13/03/2022

Report by Martyn Rushbrook

The first trial of the Peterborough trials club season took place today where a fantastic entry of 76 riders descended on Stibbington quarry. Conditions were perfect with plenty of grip as thankfully the rain held off until after the trial.

The winner of today's trial was Montesa mounted Mick Thurman who dropped just 5 marks narrowly beating Simon Dignan who dropped 6.

On the middle route Twinshock class rider Kieran Mcdaid on a Fantic kept his feet up all day to finish top. We had tie for second between Mark Dixon and Steve Neale who both dropped just 1 mark. The best youth rider on the middle route was Reece Mcdaid who dropped 10 marks.

We had a tie on the white route between Twinshock riders Paul Robinson, Steve Gossop and Adult class rider Tony Bilton who all stayed clean all day. The best Youth rider was Alfie Chesman who dropped 5 marks on his Beta.

We had 2 riders on the conducted route today with Max Malinowski dropping 68 marks and Riley Malinowski dropping 18 marks.

Once again a massive thank you to everyone who supported us today and a special thank you to the observers.

Our next trial is 17th April at Stibbington again. We will be running the same format and will be appealing for observers before the trial.

Hard Route

Adult : Mick Thurman Montesa 5 marks

Middle Route

Adult : Mark Dixon Beta 1 Marks

Stephen Neale Beta 1 Marks
