

Peterborough Trials Club
Adam Trophy Trial

17/04/2022

Report by Martyn Rushbrook

The second trial of the Peterborough trials club season took place today where a fantastic entry of 72 riders descended on Stibbington quarry. It was a lovely sunny easter Sunday, with a lot of riders enjoying a tea and cake raising money for the Brain Tumor charity on behalf of Dean Devereux, no exact figures are known yet, but it is estimated around £500!

The winner of today's trial was once again Montesa mounted Mick Thurman who dropped just 6 marks beating Martyn Rushbrook who dropped 9 marks and Paul Marwood who dropped 12. The best youth on the hard route was Beta rider Reece McDaid.

On the middle route Andy Butt and Edward Jones both stayed clean to finish top with Mikey Lefevre and Nick Wilford next up on 1 mark dropped each. The best twinshock rider on the middle route today was Mark Hawkins who dropped 8 on his Triumph cub. It was a close contest for the youth middle route riders with Leonardo Homan narrowly beating Alfie Chesman with 55 marks to 58.

The best rider on the white route today was Stewart Dickinson riding his Matchless to a perfect score of 0, Jim Lawrence was next up on 1 mark dropped and was best adult class rider. The best youth rider on the white route was Stanley Bone riding an OSET who has only just moved up from the conducted route.

We had 2 riders on the conducted route today with Max Malinowski dropping 76 marks and Riley Malinowski dropping 9 marks.

Once again a massive thank you to everyone who supported us today and a special thank you to the observers.

Our next trial is 22nd May at Stibbington again. We will be running the same format and will be appealing for observers before the trial.

Hard Route
