

A new central support telephone number has been established to coordinate the activities of the many willing volunteers in the Laggan and Newtonmore communities during the present COVID 19 crisis. The previously supplied numbers for Catherine and Elspeth may still be used.

So during this period of self-isolation, should you need any assistance with shopping, prescription delivery, dog walking or just a chat, please now call...

01540 372102

This line is being manned from 8am to 8pm with any requests outside these times able to be left on an answering machine..

Thereafter, you will be contacted by a volunteer to look after your request. A new leaflet is to be hand delivered to all residents in the Laggan area.
