- NOTES:**
- 1 Stages can be walked in either direction, this map goes with the flow of the river for ease of illustration only
 - 2 Longer stages can be split up and walked halfway and back - the stages only run from Car Park to Car park just in case it's possible (with Covid regulations) to do walks one-way with two cars
 - 3 All stages subject to revision, especially where I suggestions from those with better local knowledge than I have! Contact Andrew Kimmitt if you've ideas for improvements akimmitt@churchofscotland.org.uk 07752306462
