PUBLIC QUESTIONS

Residents from Castlegate were present to hear the outcome of the meeting between the Traffic Sergeant from NYP and Cllr Peacock. Whilst disappointed that there didn't seem to be much support for the speed reduction other ideas were welcome, such as making it more obvious that cars were entering a village, in the hope that driver behaviour could be changed, by installing new village signage and better lighting to emphasise leaving open countryside.

The ongoing planning matter was also raised and Councillors were offered sight of recent correspondence with NYMNP. No discussion took place as the Parish Council are not party to the concerns.

RESOLVED: That the above information be noted. 131/19
