Action researchers in Croatia

# *AN EDUCATOR'S CHALLENGE IS TO ENABLE*

## *EACH LEARNER:*

• To recognise, value & work with their unique constellation of passions

&

• To develop & enhance talents for creating, offering & thoughtfully valuing gifts, throughout their life

# *DEVELOPING INCLUSIVE GIFTED & TALENTED EDUCATIONAL THEORY, PRACTICE & PROVISION*

Educators create and enhance educational space, opportunities & relationships to support all learners:

- ② Developing and enhancing their talents through knowledge creating research
- ② Creating & offering, as gifts, accounts of the knowledge generated through their passion-led learning
- ② Coming to know themselves living loving, satisfying & productive lives

*EVOLVING SPACE & COMMUNITIES SUPPORTING  
EDUCATORS & LEARNERS DEVELOPING TALENTS &  
CREATING & OFFERING GIFTS*
