

To, My Dearest and kindness God parent.

Today I tsering Angmo of Lamdon school would like to share my thought in a poem form.

I love the time I spent with writing a letter to you
Because you're one of those parents,

Even when, I am in need

You manage to help me.

Feel better about study.

You really listen,

And it's obvious you care.

I appreciate your positive attitude

And the fact that

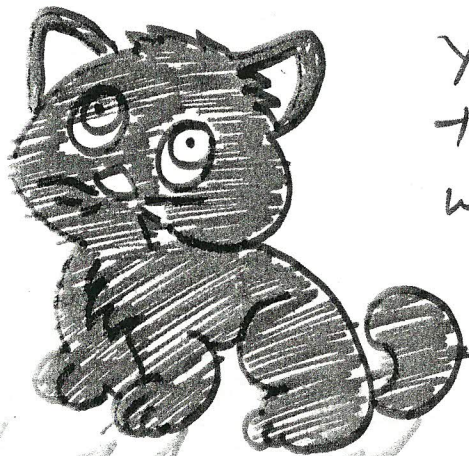

No matter what I do

is really good to get a good marks in annual Exam.

That is 80% and above

by which my own family satisfied me.

I am happy to get a new 6th class

You always see the best in me.

There is no doubt in my mind.

Why god put you in my life.

He want me to know that what

A real supporter is...

8/11/2013

And have a good and happy new
years in advance.
