

WITH ONE VOICE (Ref. 116)

Never before have mystics from the world's great spiritual traditions come together in one venue to share their personal experience... until now.

With One Voice is a compelling, life-affirming documentary that addresses the profound questions about the meaning of life and love, the existence of God, the path to spiritual awakening, and the way to true peace in the world.

To mystics, those whose lives have been dedicated to solving the mysteries of existence, all of our problems are in reality one problem - a loss of connection with the infinite source that sustains us all. And their solution is simple: reconnect. They ask us to look within our own hearts and listen deeply, so that we too can join the conversation and speak With One Voice.
