

THE THEME OF CREATION (Ref. 186)

Based on the ground-breaking 1955 work, "God Speaks", The Theme Of Creation is a comprehensive exploration of creation and evolution as revealed by the Indian spiritual master, Avatar Meher Bab (1894-1969).

Featuring interviews with authors, educators and some of Meher Baba's closest followers. The Theme Of Creation includes rarely seen footage of Babe and a wealth of spiritual artwork and imagery. Correlating the teachings of the world's great mystical and religious traditions, this is the first documentary presentation of life's origins and the journey back to God.
