

MATTER OF HEART (Ref. 063)

Matter of Heart is a compelling and inspiring film portrait of Carl Gustav Jung, a man whose extraordinary genius and humanity reached far beyond the sometimes exclusive realm of psychiatry into redefining the essential nature of who we are and what we hope to become. More than a linear biography, the film presents a fuller perspective on this humanist, healer, friend, and mentor, through the skilful interweaving of rare home movies, valuable archival footage, and a wealth of interviews.
