**From the Minister...** Two west coast fisherman spotted some wood floating in the sea one Spring afternoon. This was at the time when many public bodies were managed by boards. "Is that a plank or a board" asked one chap. "Is it moving?" replied the other. "I believe it is!" said his friend. "Then it is a plank" was the reply, "for you will get no movement from a board!"

"There is no movement without life" was one of the quotes for Easter Sunday worship this year.

Easter for Christian people is definitely about life. It is a celebration of life. It is a call to life. The Easter Gospel is a story of life, life for all who respond in faith to the Risen Jesus. That response; like all life, involves movement, & movement can often be demanding of energy, physical, intellectual, spiritual.

May God bless us all with the energising, demanding, fulfilling life of Christ as we go forward as Easter people.

 First aid is required for the Church doors. With our weather our blue doors really need an annual touch up to make the place look like it's in regular use now! So volunteers are now sought to take this on for 2013. The Congregational Board will provide the paint! Andy Binner & Jane Eccles will be delighted to receive offers!
