Hearing aid wearer? Tune it to "T" at St. Modan's Church for the Induction Loop!

From the Minister... November is the last month of the Christian year, a month for looking back, before we start looking forward on the 1st. of December.

Looking back can be a very useful thing to do.

To see where we have come from.

To notice what we have left behind.

Look back to remember & to learn. Look back to inform what is coming up ahead.

To find reason for praise & need for change.

To discover motivation & inspiration for new ways.

Worship rightly causes us to look back.

Worship should never leave us in the past.

As the people of Christ in this place we are called to look to the future.

To look forward with a keen awareness & appreciation of who & what has gone before.

To look forward with a ready expectation of what God our heavenly Father

desires to do in the days ahead.
