

GRAIG COMMUNITY COUNCIL

Clerk's Report

27th January 2016

Additional information to the agenda for the meeting being held on Wednesday 27th January 2016 at 7pm at Graig Community Centre, Bassaleg (**Item No 4 on the agenda**)

1. Play Areas – The toddler's play area at the rear of Rhiwderin CC is nearing completion. Negotiations for the purchase of the land formerly used as the Rhiwderin play area have not yet been completed. Caernarvon Drive proposed play area has been abandoned and will now only contain a footpath through the green and some bench seating, it is in a poor state at present due to it being worked on in bad weather. It is hoped that the NCC Officer who administered the installation of all the play areas will attend a Council meeting in the near future to discuss progress and maintenance.

There has been no movement on the following items, but these are being closely monitored and any progress will be detailed on future Clerk's Reports.

- 3. Crash Barrier on Pentre Tai Road by Level**

- 13. Possible solar farm at Rhiwderin**

14. Armco barrier near bridge over River Ebbw - It has been noted and reported that a gap in the Armco barrier alongside the road bridge over the River Ebbw is a potential safety risk. This was discussed with the Cabinet Member for Streetscene and City Services in November, and recently Cllr Cornelious met with a NCC officer who also expressed concern. The issue is to be resolved by NCC as soon as possible.
