

## Loughborough Trials Club – Championship Series Rules 2020 onwards

All events run by the Club during the calendar year, with the exceptions detailed below, shall form part of the Championship series.

**The exceptions are:** Any trial that forms part of the East Midlands Centre Championship, any trial run as a charity event (e.g. Susan Harris Charity Trial- both days), The Martin Hazlewood Trial, any event not run on a Sunday or any event added to the published East Midlands Centre fixture list.

Points scored in all events shall count towards the final total score for the series.

Each route shall have two championships, one for Adult riders and one for Youth riders, with points being scored separately as below

1st	2nd	3rd	4th	5th	6th	7th	8th
10 points	8 points	6 points	5 points	4 points	3 points	2 points	1 point

Youths will only be awarded points if they ride the correct route according to their age (TSR1)  
(RED – Youth A, GREEN – Youth B, YELLOW – Youth C, WHITE – Youth D)

Riders may change route during the series and points shall be awarded for the route ridden.

No rider may win more than one Championship. In the event of a rider winning the Championship for more than one route they will be awarded the Championship for the harder route ridden and the second placed finisher on the lower route will be awarded the Championship for that route.

### Final assessment

At the conclusion of the Series, the points for each rider's results from all rounds held will be added together and the rider with the highest number of points to their credit will be awarded the relevant Championship title. Should a tie occur it is to be resolved in accordance with ACU TSR 23 (b). If the tie still cannot be resolved the Club will use its discretion as to who is declared the winner.

TSR 23 (b)

Should a tie occur in a Championship series it shall be decided as follows:

- In favour of the rider with the greatest number of wins in ALL rounds held
- If not resolved then the greatest number of second places and so on down to 8th place in ALL rounds held
- If not then resolved, by the rider with the best performance in the final event held
