

Silent Soldier Campaign

IN SUPPORT OF

By the end of WW1 , nearly 1.1 million British and Empire service men and women were killed, before the guns fell silent 11th November 1918 (Armistice Day).

We are inviting business, individuals , council or anyone to join the nation in showing their public support, by purchasing one of these soldiers. This unique project will run from September 2017 until late 2018.

What started locally by Surrey Royal British Legion has now turned national, with soldiers being purchased from across the country.

Each Silent Soldier silhouettes are cut from black cut dibond and are about 5 feet. They are also tough and weatherproof: they are supplied with bolts and with angle iron posts for free-standing display.

Each soldier can be proudly placed in a variety of locations including gardens buildings, fields, roundabouts and many other places too.
