

Re: The East Centre - Asset Transfer
11/01/2018

Hello Sarah

Thanks for this. That's good news and we look forward to progressing this.

Can I just ask please, the original proposal was going to be a joint approach from the Town Council and the Prudhoe Community Partnership. From what you say would it just be the Town Council now be involved please?

If so, there is a process that we would need to go through which we need to do when transferring assets. The Community Asset Transfer Process is set out in the link below

The form will need to be completed and submitted to Kirsten Francis in the Policy Team, who will be able to help if you have any queries about completing it. We will need quite a bit of detail, most of which will hopefully be in the Feasibility Report about the proposal and how this is to be funded. This gives the Council the opportunity to make sure that the Town Council is going into it with their eyes open.

Once you've had a look if you have any queries, please do let me know
