

## Cottier Grange Street Naming

AGENDA 13, Enc xii)

Further to your reply of 11th May 18, the Developer has suggested the below.

They have tried to name the streets from the area around them.

*It should be noted that **McCoull Drive** and **Woodland View** are 2 suggestions made by David Hindley Walker (PTC) and Len Franchetti (Prudhoe Historic Society). Also they were supportive of **Pavilion Rise** and **Field Close** due to their association with the former sports pitches and pavilion in this area of the site. The final name of **Spinney Gardens** has a direct relation to the clusters of trees and adjacent woodland and uses an old English term to describe these areas.*

They wish for the names of Spinney **Gardens**, **McCoull Drive**, **Woodland View**, **Field Close** and **Pavilion Rise** to be considered/reconsidered.

I have attached their latest layout.

I look forward to hearing from you.

Regards

Michelle (Technical Support Officer- Building Control, NCC)

---

Dear Michelle

The council has already responded to these, apart from Spinney Gardens which is new; they were not supportive of Woodland View or Field Close for the reasons previously given.

There may also be a misunderstanding; does PTC after David Walker refer to Prudhoe Town Council. David Walker, like Len Franchetti is part of Prudhoe History Society.

Kind regards, Sarah

---

Hi Sarah

Thank you for your reply. I know there is now only the one new suggestion but I was asked to point out where the original suggestions were taken from.

26th July will be fine for your response.

Regards

Michelle (Technical Support Officer- Building Control, NCC)
