

Dear Prudhoe Town Council

I have recently set my own fitness classes up and use The Glenside as my base. I was wondering if at all possible The use of Highfield Park in Prudhoe would be a possibly in fine weather.

It would be an outdoor boot camp and wouldn't affect the play park, I have all my own equipment I'm fully qualified to level 3 Personal Trainer and have full liability insurance. It wouldn't be every week just weather permitting, Personal Training may also be option at the park too.

I think it would be good for the community and getting people active outside.

The classes are a Monday and Friday 6.45pm and I charge £4 per class or both classes for £6. Any queries don't hesitate to ask.

Kind regards

Michelle Peel (MP-Fitness)
