

**Local Transport Priorities submitted last year by PTC**

Minutes of Ordinary Meeting held in The Spetchells Centre at 7:00pm, 27<sup>th</sup> July 2016

**1617/055 Local Transport Plan (LTP) Programme 2017-18**

a) It was **AGREED** to receive highways and transport related requests held on database by Northumberland County Council for the Prudhoe area in the last three years **The following three priorities were AGREED:**

FIRST Front Street re-surfacing

SECOND Redwell Road/South Road/Homedale re-surfacing

THIRD Pedestrian Crossing at Mickley Square

Response from Richard McKenzie, Senior Programmes Officer, Technical Services, Northumberland County Council, received on 20<sup>th</sup> September 2017

Front Street and Redwell Road/Drawback junction

These are not currently in the maintenance programme. They can be considered again but bear in mind that the maintenance programme is largely determined through condition surveys with the worst roads prioritised.

Mickley Pedestrian Crossing

This has been included in the programme and is due to start on site shortly.
