Cllr George McCreedy stated that like everyone else Prudhoe Gardeners' Association (PGA), although a very committed group, are struggling to get volunteers and people to stand on the committee. Cllr George McCreedy wished to highly commend the work of PGA and advised that a request has been made for a list of all the responsibilities and tasks of PGA, to present to the council. This would give members a greater understanding of the level of work carried out on the Council's behalf.

Cllr Chris Cuthbert raised a complaint received from a resident at The Copse regarding unsafe and obstructive parking by a minority of allotment holders at Stony Flat Allotments. It was discussed that this was an on-going issue. Cllrs discussed the safety issues present and the likely dangers of obstructing the footpath.

Cllr Jennifer McGee proposed that prior to the pre-budget discussion the Council liaise with Karbon Homes about the potential for parking on their land adjacent to Stony Flat Allotments. Cllr George McCreedy suggested that the resident who had contacted the Council should be advised of this action.

1718/P020 Miners Bank

The information from Stephen Wardle was received. Cllr Jennifer McGee commented that the shrubbery as well as the grass bank was a disgrace and that it would not happen if it was in the middle of a private estate. Cllr Jennifer McGee suggested the Council wait to see the results achieved with the ride on-mowers.

Cllr Andy Gill responded that other Councils have the equipment to cut bank sides and questioned why the Town Council should even consider taking on something that NCC was not prepared to do.

Cllr George McCreedy commented that if it was unsafe for NCC staff to cut, surely it would also be unsafe for any contractor.
