Hi Sarah

Hope you are well. The Glade Tree has been stripped and Lights tested:

There were 33 sets still working and 14 failures. The 5 transformers are all working.
There are a couple of options available for you.

Reinstall 47 sets of lights @ £485.00

Total £871.26

Option 2

Reinstall only existing 33 working sets @ £420.00

Total £420.00

Best regards
