WWB5	West Wylam Shopping Centre	E Derby Double	Green Concrete	£349	£41	£85	£475	£-1,345

£4,911.00

NCC Advice

When replacing MB5 would a free standing dual purpose litter bin be welcomed or a post-mounted dog bin? **Free standing dual purpose preferred.**

When replacing PHB17 is a double capacity (2 x 120l) required or would a single (120l) be sufficient? **Double capacity**

As above for PHB24 and PHB27? **PHB24 requires only a single capacity but PHB27 requires a double capacity.**

Could WHWB13 post mounted be replaced with a free standing? is there sufficient pavement space, is this used? Would a free standing be better at the bus stop on the other side of the road? **Free standing at the bus shelter on the other side of the road as the post-mounted bin is very poorly**

Purchase of bins has been prioritised in the above list and the costs removed from the remaining budget.

The Council could agree to purchase all those **coloured**, leaving those further down to 2019/20 or move £1,400 from Contingency and order all in this financial
