

(Cost £535)

## OVERVIEW

Cllr Chris Cuthbert requested £3,000 to support a scheme to install x4 bollards on the grass verge pictured (Riding Dene, Mickley). The Council agreed to allocate £3,000 in Environmental Improvements towards flower bollards in Mickley and is now being asked to agree to seek the relevant permissions to take this forward and seeks quotations to install, if agreed.

The Council is also asked to agree whether it wishes to consult with neighbouring properties on this matter before proceeding.
