If the Town Council agrees to the relocation of the 3m Arun Bus Shelter on the south side, travelling west, they are also asked to consider the proposal of Cllr Chris Cuthbert to **purchase seating for the shelter** in view that seating is highly valued by bus users in Mickley.

The cost would be £468 (£57 delivery, which may be saved if purchased with something else).

If seating is agreed, the Town Council is also asked to **delegate procuring installation of the seating** (it is simply screwed into place) **to the acting clerk, in consultation with the chair.**
