Additional Support for Learning

Thursday 25th April 2013 – Edinburgh

About the Event

Following the recent publication of the **Scottish Government's long term plan of support**, **Capita's Additional Support for Learning (ASL) Conference** gives you an insight into the areas for action from 2012 to 2016 to sustain effective implementation of additional support for learning legislation.

Delegates will hear best practice case studies on how **primary and secondary schools, local authorities and their partners** are embedding strategies to identify and provide for those with additional support needs within the **Curriculum for Excellence** and the **Getting it Right for Every Child** agenda.

Pioneering practitioners will provide you with guidance on overcoming the key challenges in ensuring positive outcomes from additional support, including:

- Progress made in meeting the duties outlined in the **Education (Additional Support for Learning) (Scotland) Act 2004**
- Tracking and monitoring young people with additional support needs during the **transitions stages**
- **Involving children** in their learning support
- **Engaging parents** and keeping them informed about the type of support available

Attend to ensure you are **implementing inclusive approaches in education** to enable all children and young people to get the most from the **learning opportunities available and realise their full potential**.

Benefits of Attending

- Hear best practice case studies from local authorities and schools on **targeting resources effectively to raise attainment and measuring pupils' progress to evidence the impact of services**
- Gain insight into how **primary and secondary schools** are working together to ensure **transitions are effectively planned** for and more consistently managed
- Learn from leading local authorities on how to build a **multi-agency commitment to improving coordination and communication** across services
- Take away new ways of providing tailored support for those with 'hidden' additional support needs, including **children and young people who are looked after** and those who have **mental health difficulties**
- Understand the importance of working with parents in designing the **content and delivery of their child's support package**
- Take away ideas on how to ease the **transition into adulthood** for young people and prepare them for employment or higher education

Who Should Attend

Representatives from Primary and Secondary Schools, Local Authorities and the Third Sector including:

- Headteachers, Deputies and Senior Management Teams
- Education and Education Services Teams
- Additional Support Needs (ASN) Teams
- Heads of Department and Heads of Year
- Community Learning and Development Teams
- Curriculum for Excellence Teams
- Children and Young People Support Teams
- Quality Improvement Teams
- Attendance and Behaviour Teams
- Parent Councils
