MARR AREA partnership

Dear All

You are warmly invited to celebrate 20 years of MAP on Tuesday 9th October in Glenbuchat Hall. We will start with a MAPing exercise to create a visual document of the work that we've done together over these years. After the usual AGM we will continue with delicious food and drink followed by IGS presentations and a keynote speaker. We very much hope to have a local band playing music for us throughout the evening.

Please find attached a programme (a finalised version with full details of how to get there will be sent in due course) and RSVP me so we can have an idea of numbers for catering.
