Affordable self-build timber kit homes – Building, Housing & Energy group, 12th Jan

Published on: January 12th, 2017

If you're interested in self-build or timber framed housing, come along to TTT's Building Housing & Energy group tonight, 43 Fore St at 8pm.

Our guest speaker is Dick Potter, of Lochdhu Cottages, presenting a number of case studies for affordable self-build kit homes, using modern timber frame technology. Dick will be happy to answer any questions during and after the presentation.
