

Internal Audit Report

(to be read in conjunction with Section 4 of the Annual Return)

Name of council:	Creaton Parish Council		
Name of Internal Auditor:	Mr D J Linnell PSLCC	Date of report:	12 May 2018
Year ending:	31 March 2018	Date audit carried out:	12 May 2018

Internal audit is the periodic independent review of a council's internal controls resulting in an assurance report designed to improve the effectiveness and efficiency of the activities and operating procedures under the council's control. Managing the council's internal controls should be a day-to-day function of the staff and management and not left for internal audit.

The council is required to take appropriate action on all matters raised in reports from internal and external audit and to respond to matters brought to its attention by internal and external audit. Failure to take appropriate action may lead to a qualified audit opinion.

Mrs Katrina Jones Clerk to Creaton Parish Council
77 High Street
Naseby
Northants NN6 6DD

Dear Mrs Jones.

My audit of the Financial Year 2017/18 is now complete and no issues have been raised by the audit.

This report is based on the evidence made available to me. It would be incorrect to view internal audit as the detailed inspection of all records and transactions of a council in order to detect error or fraud. Consequently the report is limited to those matters set out above.

Please note that you should arrange to review early in the new Council Year your Internal Audit and Controls Procedures and your Risk Assessment.

Yours sincerely,

David J Linnell
