

# Glen Urquhart 2012 Badge Hanging

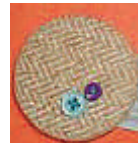

I am creating a wall hanging to mark the 10th birthday of our High School and Community Complex and would like to invite all of you to submit a piece of work which I can make into a badge, all these badges will be hung together in a modern patchwork which will be a portrait of Glen Urquhart in 2012, a celebration of our village and community.

I will be holding two workshops (open to all ages) at the High School on :-

**Thursday 11 October 6-8pm &**

**Saturday 3rd November 10am-12.30pm.**

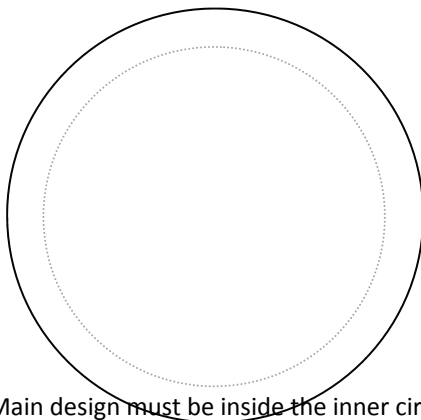

Materials are provided but if you have something you would like to bring along, please do.

If you can't come along on these dates but would like to be involved you can create a design using the template below and drop it off at the library, or at 18 Balmacraan Road.

Let your imagination run wild, anything flat can be made into a badge - fabric, photos, drawings, newspaper cuttings, you can even add small buttons or sequins. Make it personal to you, what will your memory of 2012 be? A wedding, a birth, the Olympic torch, the Shinty victory?

If you would like more info about this project or help with creating your design please contact me on 01456450772

or email me
