

The big book  
of  
Holiday  
activities.

By Emilia Elder  
2013

Hi, I'm Emilia and I stayed at Wester Whinhill during the summer of 2013. Welcome to your holiday. I'm going to tell you about some of the things I did on my holiday. If none of this is to your satisfaction check the things-to-do leaflet box.

I'll also tell you about some of the problems we had and how to tackle them.

One day we went to the History Links Museum behind the Castle Hotel and did the quiz and the trail. It was all about Dornoch's history, very fun to.

Each day we went to have a swim. It's a cool pool! Warning: small pool and the tide runs in one part only tackle this

by putting us kids in the pool first and we'll take turns of swimming and we have a play time at the end and he gets in with us, we get out. Dad has his swim while mum showers us kids then when Dad gets out, Mom gets in!

We went on the Loch Fleet nature walk but it is very long and tiring - not suitable for young or un-fit children.

We played in the garden lots.  
We looked around Galspie, The castle looks good and I recommend the beach for sunny days.

We looked around shops in Dornoch and recommend the **JAIL** shop.

There are lots of places to go out for dinner such as the Eagle hotel but bookings are essential at weekends.

Bookings are needed to stay at Sutherland house - especially during summer. They do a range of steaks, fish and chips, goats cheese + more. Everything on the menu comes in a smaller size. For a ~~take~~ take away - Alex's Chinese take away or Tians who do pizza, Curry, fish + chips + Chinese + more!

Do a ~~B&Q~~ B & Q one night - It's delicious and you can go fishing for your tea at a local area.
