**WHOEVER AND WHEREVER WE ARE, WE ARE ALL  
CALLED TO LIVE OUT OUR FAITH  
IN OUR EVERYDAY LIVES.**

*Everyday Faith* has grown out of *Setting God's People Free*, a Church of England initiative that aims to help all Christians to live out the good news of Jesus, and follow him with confidence, in all areas of our lives. Whether we are lay or ordained, we are all equal partners in mission, grounded in our common baptism with complementary gifts and vocations. Together we are called to be a living witness to others in our homes, schools, workplaces, churches, and communities – all the places we find ourselves each and every day.

Our next live audience recording is on:

**Wednesday 11 February at 7.30pm at Neston Parish Church** with panellists from churches in the deaneries of Wirral South and Frodsham.

**COME** and listen to and join in the conversation of how small shifts in our daily habits impact the people we meet each day, in the places where God places us throughout the week, outside of our church walls.

The event is a bit like a Christian question time. The first part of the evening is three lay people in conversation with Ruth Bull (Transforming Lives Together). Before the event Ruth chats to the three panel members individually to hear their stories of how their faith informs their daily lives and how they share their faith in the community or workplace. Questions are then created and shared with the panel members. On the evening of the event these questions are asked to the panel members in front of the live audience and a recording is started. During the break the audience are invited to submit questions which are then asked during the second part of the evening. *Kevin*

***So what's going on!***

Firstly, may I apologise for this not being updated for a while. Our Architect and I are waiting for one final quote to be presented for the **new ramp**, once received, the paused Faculty will be completed and if approval is granted we will hopefully seek a grant to cover all or partial costs.

Regrettably, a site meeting of the **Neston Centre** PCC members and our Architect was cancelled. It is hoped a meeting will take place soon to view the details of the proposed revamp of the centre.

**St Thomas'** now has a long-awaited small storage container for garden and cleaning tools, and **St Michael's** has had all its trees and shrubbery trimmed and pruned.

Regrettably no progress by CW&C on the **west wall** (Church Lane) repair. The **Quinquennial inspection** of the parish church was carried out last September 2025 and highlighted areas of the building that requires urgent and non-urgent repairs. It must be said now, regrettably, there is more of a need to seek contractual work rather than volunteers, which comes at a cost.

## THE GREATEST STORY EVER TOLD, AN EYEWITNESS ACCOUNT, BY BEAR GRYLLS

The evening of Advent Sunday, at Liverpool Cathedral for The Light Before Christmas annual light and sound experience, began in the Cathedral's shop. I spotted Bear Grylls's book whilst browsing and was more surprised to see his name on the front cover, and "Sunday Times No. 1 Bestseller", than I was by a fellow shopper wearing pyjamas beneath her coat.

Bear Grylls, TV personality and former soldier with the SAS, writing a book about Jesus' life, really? I pulled out my phone to check the reviews on Amazon (at the time of writing it has 4.7 out of 5 stars, with 1,100+ reviews) before picking up a copy of the book and heading to the till.

We then followed the trail around the interior of the cathedral, viewing kaleidoscopic images projected onto the walls, before arriving at the corridor behind the high altar, decorated overhead with paper stars. The shepherds and Magi came to mind.

Bear's book includes a Prologue, on the road to Emmaus, before beginning with the Annunciation. The book is split into five parts, in the style of an imagined narrative of Jesus' life from the point of view of his mother Mary, Thomas, Simon, John, and Mary Magdalene. Each part consists of chapters just a few pages long, making it easy to dip into when time is short.

What I enjoyed most about the format is it makes you feel as though you are there in person, witnessing Jesus' life. Inside the back cover says of Bear "he is also the author of over 100 books. Bear says if he were to only have written one ... this book would be it."

As we journey through the seasons of Christmas, Epiphany, and into Lent, you may find Bear's book a helpful resource. *Lucy Brooks*
