Hi guys

A wee update from the beach wheel chair group - very positive reading!

Kind regards

Eric

Hello Eric,

June asked me to contact you re the DBW charity.

We've had a very busy year. We have put in a Boules court and a concrete tennis table at the play park. We have also bought a new picnic bench, being installed this week. All these items are wheelchair friendly.

We've had a few problems with the table as all the paint fell off after it was delivered so that's being fixed atm. As soon as everything is tickety-boo we will announce it on our Facebook page.

We have also had a new powered chair delivered today so this brings the total number of chairs up to 6.

We are all looking forward to getting back to the shed to get a bit of sunshine and see some happy faces enjoying our lovely beach. We've worked hard to keep this looking clean over the winter months with a lot of help from the ESRA tractor.

So a very positive update form us all this year. I did want to attend the meeting this week to give this update and discuss the possibility of us perhaps applying for a traders license to occasionally put up our gazebo over the summer months but I have to go up north tomorrow.

This can keep for another month.

Thank you for your interest and support.

Kindest regards

Isla
