

**Dornoch Area Community Council (DACC) Meeting March 21<sup>st</sup>.2022**  
**Proposal to arrange party to celebrate Queen's Jubilee**

As discussed last month I should like to propose that DACC organise an event to celebrate the Queen's Jubilee along the following lines:

- Format: Street-party style of event similar to that 10 years ago on the Cathedral Green subject to permission from the Cathedral
- Timing: 13.00-16.00 Saturday June 4<sup>th</sup>
- Funding: Lottery appear to have fairly accessible grants for such an event.
- Involve as many local organisations as possible, including businesses. I have not yet contacted businesses, but so far both History Links and the Academy have said they would like to support such an event. One or two other organisations are making unrelated arrangements which do not support but do not clash with this proposed event.

If everyone agrees in principle we need to establish who is willing to do what. I am happy to be responsible for table, chairs and gazebos but would look for help on everything else!
