

# THE FINDHORN VILLAGE CONSERVATION COMPANY

## GARAGE SITE

The Findhorn Village Conservation Company has been successful in securing a grant from the Scottish Land Fund, for the purchase of the garage site in Findhorn. After considerable negotiation a purchase price of £180K was agreed, with the proviso that the area be named after the seller – Armstrong. The grant secured contributes £161.5K towards the purchase, leaving a shortfall of £18.5K. This is a great opportunity for the Company to secure one of the few remaining sites for development in the village, at a price of £18.5K. Before the purchase can be completed the Company has to raise this shortfall.

The Company has considered the following options.

- a) Donations
- b) Loans at 0% interest, to be paid back once sufficient revenue is generated.
