

Annual Report Benson. W. I.

Since the first meeting in March 1926, the Benson Women's Institute has made a promising start.

During the year lectures were given on:—

South Africa

Pneumonia

Poultry

Food Values and

Infant Feeding

Demonstrations were given on:—

Fruit Bottling & Skin Curing

In May & June Basket making by Mrs. Swift & Smocking by Mrs. Porpart.

The glove making classes - Mrs. Herman being the teacher were very successful.

The Monthly Competitions were popular & there

were usually a fair number of entries

A Stall was arranged at some of the Meetings, for new & second hand articles. Two-pence was deducted in the if or all sold.

A very successful American Tea was held in September, the sum of £7. 16 3 was realized handed over to the Treasurer to go towards the funds of Deason W.I.

In December the Institute gave a tea to the Infants' Welfare, the Committee being responsible for the catering arrangements.

The membership has increased to 87 during the year
