

February 1946

The monthly committee meeting was held at Churchfield on Feb. 12th Mrs Drew presiding.

An apology was ^{sent} read by Mrs H. Aldridge.

The minutes of the last meeting were read and signed. Arising from the minutes Mrs Drew said we had been unable to make any progress with the Dramatic and Choral work. Miss Locke was asked to find out if the vicar would be willing to help with the Choral Society, and it was hoped a start would soon be made.

The monthly letter was read. A Delegate was to be chosen at the next meeting to attend the annual meeting of the O.F.W.S. at Oxford on Mar 13th. As our forces fund is getting low, it was decided we should find other means to help, that being brought in from the dances.

A bring and buy stall each monthly meeting was suggested, also a trading stall, and it was hoped a Whist Drive. Mrs Drew kindly offered to hold bridge parties, for any who would like to bring friends and make up ^{their} own tables.

Mrs Shotton proposed that we should ask if it was possible to get an early bus into Wallingford, in time to get children to school. Mrs Payman responded this, and it was agreed we should contact Kemps to see what could be done. Dorothy Green
