

May 8 1946.

a Special Committee meeting was held at
Bhurschfield on May 8: Mrs. Drew presiding.

The meeting was called chiefly to discuss
programme for Victory celebrations:

It was proposed & uncerimoniously agreed to, that
we provide the supper for the old people's
party & afterwards entertain them to a
concert; programme to be arranged later.

Mrs Young kindly offered to provide the
meat & tongue; a very generous offer & a
great help. Most committee members offered
to share in the work & provide what other
things would be needed, such as jellies,
trifle, salads etc.

Members were also asked to give out
invitations to the people & find out what
transport was needed.

Dorothy Drew.
