

WESTMORLAND GEOLOGICAL SOCIETY

E-MAIL NEWSLETTER No. 48 - July 2020

Field Trips

Unfortunately the August and September field trips have been cancelled. The only small bit of good news is that the owners of the Shap Fell Limestone have invited us to come back next year.

Winter Lectures and Tutorials

Abbot Hall Social Club is unlikely to re-open before October at the earliest unless there are significant changes to the restrictions caused by the coronavirus epidemic. The September lecture is therefore in doubt unless arrangements can be made to hire a larger venue where social distancing can be observed.

Geology from your Sofa

The Geologists Association (GA) has added some more content to its Geology from your Sofa material and it has also put its monthly lectures on line and made access, normally restricted to GA members, freely available to anyone. All this can be found on the GA website geologistsassociation@org.uk

Down to Earth Extra

The July edition of Down to Earth Extra is being distributed with this Newsletter.
