(1946)

Director: Frank Capra

A classic story of redemption and second chances, with James Stewart as a man who's come to the end of his rope one Christmas Eve, and Donna Reed as the high-school sweetheart who became his wife.

A young and overwhelmed George Bailey feels tied down to a company he never had an interest in working for, and a life he never wanted to live. As he ages, he sees his youth, dreams and opportunities pass him by. Unknown to George, all of his friends and family have been praying for him to get through those hard times. Told through the point of view of a group of angels, he is met by his guardian angel Clarence, as he contemplates ending his life.

IT'S A WONDERFUL LIFE has become a perennial holiday favourite, and one of the most beloved of all American movies. Come and see it on the big screen.
