Midlothian Moving Forward
Community Planning for Midlothian

Produced by Rosewell Neighbourhood Plan Steering Group

Welcome

What is Neighbourhood Planning?

The Local Government Act 2003 places a duty on all public bodies to work together in a Community Planning Partnership (CPP). Midlothian Council has a key role in supporting the Midlothian CPP and has been working to produce neighbourhood plans in each of their sixteen Community Council Areas. This calendar is the plan that has been created to focus on Rosewell.

How did it all start?

Two years ago, Midlothian Council approached Rosewell Development Trust with the need to gather and recruit volunteers to sit as members of the Rosewell Neighbourhood Steering Group. After advertising, inviting and organising an initial meeting, 13 people came along as representatives of the community, local businesses, organisations and Midlothian Council. The purpose of the steering group was to gather local residents and organisations to discuss what was important to the community of Rosewell for current and future development to ensure we could improve local services, amenities and activities for all ages.

Rosewell is a former mining village in Midlothian, Scotland, south of Polton and south – west of Bonnyrigg. Most recent statistics (2011) indicate the population to be 1,566 and growing; in fact comparison

with the 2001 Census shows an increase to the population of 39.8% in the last 10 years. Rosewell has experienced a greater percentage increase in this time than Midlothian as a whole which increased from 80,941 to 83,187 (2.7%)*. With such an increase in population there will be growing pressures on the local area and a requirement for new facilities so the timing of the Neighbourhood Planning was very opportune.

The Steering Group was in the fortunate position of starting with the community engagement feedback Rosewell Development Trust had already collated in 2013 and this information was used as a platform to start a more extensive consultation exercise. Throughout 2014 members of the group carried out a “Planning For Real” exercise which involved taking a large scale aerial view map of Rosewell to local events to engage the community in discussion on what was good about living in Rosewell and what needed improvement. Local residents and representatives had the opportunity to highlight with members of the group whether they felt there was a need to address issues at a local level with respect to the environment, transport, leisure, amenities, security and housing to name but a few.

During the consultation stage the Rosewell Neighbourhood Plan group worked with the Rosewell Community Youth Leaders and set 14 different dates at different venues within Rosewell. Consultations were carried out at Rosewell Primary School, St. Matthew's Primary School, Rosewell Parish Church Hall, Rosewell Resource Centre, at the Rosewell History Group, the Rosewell Lunch Club, the Rosewell Christmas Fair and at the children's group, Chatter and Clatter on the following dates:

- March 2014 – 17th, 20th and 26th
- July 2014 – 16th
- October 2014 – 8th, 22nd, 23rd, 27th and 30th
- November 2014 – 1st, 17th and 29th
- December 2014 – 4th and 8th

The consolidated feedback from these events was completed on 10th December 2014 and many local residents who got involved were very complimentary of their local community and the support already in place from Rosewell Development Trust and the Rosewell & District Community Council. There was a re-occurring theme across all consultations that those living locally enjoyed the close proximity to green spaces and the countryside but everyone was keen to see the introduction of more leisure facilities, more activities for under 5's and for teenagers as well as suitable changes to amenities and transport to support the growing population and further new development which was underway.

On completion of the consultation phase and in combination with the results from the youth consultation led by the Rosewell Community Youth Leaders, the Steering Group worked on collating the results from the consultations and developed key action points for the next 12 months and 5 years, which takes us to this calendar.

Thank you to all community members who submitted their photographs to be used for this calendar. The front cover image was provided by Colin Myers who lives in Rosewell. More of his work can be found at www.colinmyers.com and www.facebook.com/magicofmidlothian

WHAT I LIKE ABOUT LIVING IN ROSEWELL

Rosewell has always been a close knit community and with the introduction of new housing developments one of the most important aspects of any plan for the locals would be to ensure inclusion across all ages and walks of life. It was key to the action plan for the next 5 years to ensure that any areas we focussed on would maintain a good quality of living for those who had been here for some time and to integrate those new to the community.

We wanted to produce a summary of our findings in a format that was easy to read and understand and to create a document that would be of use to every home in the community. That is why we have decided to present the 5 year action plan to Rosewell in the form of a calendar so every household could make use of the document and have a comprehensive resource they could refer to throughout the year.

This is not an exhaustive plan and the committee will be continuing to work on the actions required to adapt to the needs of the community as it grows over the next 5 years and beyond. We will also be looking for more volunteers to get involved in sub groups who can take specific action points forward so please if you like what you read and would like to volunteer to help out we would be delighted to hear from you.

We are already working on the detailed plan for this year and into 2017, if there are actions we still need to identify and address that you don't see on here please contact Claire Armstrong on cea38@outlook.com.

We are very proud of our calendar and hope it will be the first of many we are able to produce for the community. As well as noting what needs improvement or addressing in future this document is also a celebration of much of the great work that goes on in our local community and we hope by the time you get through 2016 you will be better informed of what Rosewell has to offer, how you can get involved and what plans are still to come for our thriving community.

What would make it better

JANUARY 2016

Rosewell the place to socialise, have fun and enjoy I.T.

The feedback from the early consultations in 2014 and 2015 highlighted there was a real interest in the village to have a central cinema provision to bring families together, to give the older children a new focus and to bring all ages together with general movie viewing.

The Steering group now works with Moorflix Community Cinema to help provide this facility to Rosewell. Moorflix was set up in June 2010 to show quality films to the South Midlothian Community. It is a non-profit organisation run by volunteers. Moorflix will be continuing to provide support to the Steering Committee Cinema Sub group in 2016 to do at least one more showing. We hope to see you at the next one early this year.

Click and Connect Computer Club – In this age of technology it's important to ensure all members of the community are equipped to use computers, iPads, email and the internet as it keeps people connected and provides a great source of information.

Rosewell Development Trust now runs the weekly computer club on Wednesdays between 1.30pm-3pm. This group provides the opportunity for support on the use of iPads, laptops and computers. You can bring your own device with you and join in with group activities and training.

There are also volunteering opportunities if you would like to help out with the class as well as access to computer facilities, Monday to Friday between 10am – 4pm, free of charge. For more information contact Fiona on info@rdtrosewell.org.uk or call **0131 629 9398**.

Anyone living in Rosewell will know that poor broadband speeds are a problem and this is something the Steering Group hope to provide more information and influence on over the 5 year plan.

What we've achieved so far: Action Plan – 12 months

Issue

No central provision for local film nights or cinema.

Action

Apply for grant and pilot a film night locally to gauge popularity for future events.

Outcome

First family film night run in June 2015 in conjunction with Moorflix.

Further events planned for 2016.

What we plan to achieve: Action Plan – 5 years

Issue

Poor Broadband speeds locally.

Lack of central community facility for cinema & computer classes.

Action

Steering group to get more information on Scottish Government Openreach programmes for Broadband.

Development of the Community Hub to provide a central location for showing films.

Outcome

Provision of information on the digital roll out programme for Scotland up to 2018.

Designated facility available within Community Hub for cinema events or equivalent.

Rosewell the place to be part of the community

RDCC – Rosewell & District Community Council bridges the gap between Midlothian Council and the local community and helps to make public bodies aware of the opinions and needs of the people they represent.

RDT – Rosewell Development Trust work to support the economic, education, community and social development of Rosewell. They offer extensive community engagement, volunteer and training projects in conjunction with the development of the Steading Project which will introduce a multi-purpose community hub in the heart of Rosewell.

Rosewell Neighbourhood Plan – The Steering Group is made up of local people, organisations and Midlothian Council representatives and is tasked with overseeing the Neighbourhood Plan. Representing the community they work on developing an action plan to work towards positive outcomes that have arisen through consultations with local people.

Local Councillors – Russell Imrie (Labour) Andrew Coventry (SNP), Kelly Parry SNP who all hold regular surgeries in the Rosewell Resource Centre.

How to get involved:

RDCC – If you'd like to join the mailing list to receive agendas, minutes of meetings, notification of major consultations and important news of what's going on in the community contact Ann Montague on: **rdcc@email.com** Telephone: **07462 808444**
www.communitycouncil.org.uk/RosewellandDistrict

Meeting dates can be found in the calendar section of the website.

RDT – Rosewell Development Trust offer lots of voluntary and training opportunities from working with children, delivering community events or accessing a variety of free training opportunities. RDT also offer a range of community groups including groups for families, Lunch Clubs, woodland events and computer groups. What we've achieved so far: Action Plan – 12 months

Issue

Need for community involvement in the Rosewell Neighbourhood Plan.

Action

Set up Rosewell Neighbourhood Planning Steering Group and run local consultations for community feedback.

Outcome

Consultations held throughout 2014/2015. Neighbourhood Action Plan for the next 5 years produced in the form of a calendar.

What we plan to achieve: Action Plan – 5 years

Issue

Ensuring community bodies work towards the same goal. Ensuring ongoing involvement and commitment to the Neighbourhood Plan. Addressing the lack of a central community facility.

Action

Carry out further consultations and develop the Rosewell Neighbourhood Plan. Work in partnership with RDT in the development of the Hub. Get more local businesses involved.

Outcome

More residents are involved with the community. Development of the Community Hub which will allow for increased learning, social and health opportunities.

Rosewell the place to be young!

The Rosewell Community Youth Leadership project (RCYL) was launched in 2014 with support from Rosewell Development Trust and the Youth Team at Midlothian Council to engage local young people in shaping their communities. Seven young people worked on developing consultation tools, consulting their peers and reporting their findings back to the community by delivering a presentation at a youth event as well as at a local Rosewell & District Community Council Meeting.

Our RCYL consulted with 108 Primary School aged children and 23 secondary aged children within the Rosewell community to find out their views on their village and what they wanted to see introduced.

Through this consultation exercise, the RCYL:

- designed their own methods of consultation tailored to the age groups they consulted,
- were recognised for their voluntary involvement through Saltire Awards,
- attended a Public Speaking training course,
- Developed their Event Management skills by organising a Community Event – the theme, 'Picture, Popcorn and Pizza' Night was decided after findings concluded that 70% of respondents wanted a community cinema facility.

Using a 'world café' consultation technique, the RCYL found out what primary aged children wanted to see in Rosewell. Below are their findings:

- More sports clubs
- Arts and craft clubs
- Indoor swimming pool
- More clubs
- Skate park
- Better paths and lighting (Park)
- More shops
- Less litter and dog poo on the streets
- Cinema
- Climbing frame/monkey bars and roundabout in the park

What we've achieved so far: Action Plan – 12 months

Issue

Lack of things for young people to get involved in locally and no "voice" for them to give feedback.

Action

Actively recruited young people to be involved in the Neighbourhood Plan Steering Group.

Outcome

A stronger voice for the young people of Rosewell as a result of the RCYL consultation.

What we plan to achieve: Action Plan – 5 years

Issue

Lack of youth facilities.
More community involvement needed with the After School Club.

Action

Working with RDT and local groups on the plan for the Community Hub to ensure involvement in the provision of more clubs and activities for young people.

Outcome

Increased opportunities for young people to socialise within their community. More awareness across all ages on what we can develop for youth in Rosewell.

Rosewell the place to be with your animals

Rosewell has a high ownership of dogs and other pets with several stable facilities and bridleways for horses and their riders.

With such a high proportion of dogs in the area it is important to ensure owners are responsible in terms of the safety of their pets and of others, as well as ensuring dog fouling does not become a problem.

If you have any questions or concerns regarding dog fouling or local environmental health issues you can contact the **Environmental Warden Tam Crawford** on **0131 561 5284**.

To keep the area as clean as possible we have already started communication with the **Green Dog Walkers Scheme** and hope to roll out more information as the action plan develops. If you are interested in finding out more just now or would like to be involved in helping develop this part of the plan just contact Claire Armstrong on **cea38@outlook.com**.

We are also fortunate enough to have our own kennels & cattery within Rosewell should you need to home your pets while away or in time of need. You can find out more here <http://www.candidacasakennels.co.uk/>

What we've achieved so far: Action Plan – 12 months

Issue

Dog fouling on pavements and public places.

Action

Campaign for more dog waste bins to be made available and posters to be created encouraging dog owners to pick up waste.

Outcome

More bins have already been provided in 2015 for depositing dog waste on main dog walking areas.

What we plan to achieve: Action Plan – 5 years

Issue

Long term problems with dog waste and lack of information on activities that are available to allow locals to get involved with animals.

Action

To set up a local Green Dog Walkers Scheme to promote a better attitude to dog fouling and good pet ownership.

Outcome

A cleaner local community. More interaction and responsibility between dog owners. Potential to involve local schools in the project to create future responsible pet owners.

Rosewell the place to be engaged with nature & the arts

If you would like to find out about booking the two church halls for any events please call **0131 629 9398** to get further information from the Resource Centre.

Community Cinema events – As noted in our January month the Steering Group have started a community cinema initiative with the support of Moorflix and a grant procured by Rosewell Development Trust. The next screening will be early 2016 and if you want to get involved in the cinema sub group contact Claire Armstrong at cea38@outlook.com.

There are also opportunities to get involved in local gardening initiatives and the Arts & Crafts groups which are run in conjunction with Rosewell Development Trust. An Arts and Crafts club runs throughout term time for children. Please contact Rosewell Resource Centre on **0131 629 9398** for more information. We'd like to develop more gardening projects to engage all ages in activities to help make Rosewell a beautiful place to live.

Woodland education courses – Rosewell Development Trust has delivered successful woodland training courses to local children and young people since 2010. Over 70 people have benefitted from these free courses which promote healthy living and help develop an appreciation for the outdoors, learn new practical skills, and offer opportunities to create new friendships.

They target each course to the youngsters in the local community and actively engage with the most isolated families. Some of the volunteers who have taken part have gone on to gain promotion into a paid summer apprenticeship opportunity. If you would like more information, or want to get involved contact Rosewell Development Trust on **0131 629 9398**.

The Steering Group is also heading up some interesting initiatives over the 5 year plan to introduce more art to the village so watch this space for exciting developments to come over the next 12-18 months.

If you would like to be a part of this or have ideas for how we can enhance our current local interaction with nature and the arts we would love to hear from you.

What we've achieved so far: Action Plan – 12 months

Issue

To engage the local community in activities that enhance knowledge and understanding of nature and the arts.

Action

Develop a range of activities and opportunities which provide locally based access.

Outcome

Local community engaged and participating/leading on activities.

What we plan to achieve: Action Plan – 5 years

Issue

Lack of activities which engage new and established residents of all ages in local nature & art initiatives.

Action

Carry out further consultations and develop the Rosewell Neighbourhood Plan.

Outcome

For more residents to become involved with community based activities which promote art and nature in the local village.

Rosewell the place to volunteer and help others

RDT Volunteers – There are plenty of volunteering opportunities available in Rosewell and with RDT you are supported in training, CV development and job searches too. There really is something for everyone from volunteering as a Classroom Assistant; being part of the RDT events team, leading a variety of children's groups as a Craft Club Leader, supporting other community volunteers at the monthly Litter Picks, befriending and supporting the running of the Rosewell Lunch Club, getting involved in our regular woodland programmes or helping others with I.T. at the Click and Connect Computer Club.

Riding for the Disabled – Based at Thornton Farm, RDA support disabled riders of varying ages. There are regular volunteering opportunities for you to get involved in.

Girl Guiding, 1st Rosewell Rainbows and Brownies

– Girlguiding is the leading charity for girls and young women in the UK. Thanks to the dedication and support of amazing volunteers, they are active in every part of the UK. Being involved in guiding gives young girls the chance to be themselves, have fun, build friendships and gain valuable life skills and make a positive difference to their lives and their communities.

Our Rainbow group meets every Monday 5.15pm – 6.15pm in Rosewell Church Hall and the Brownies meet just after at 6.30pm – 7.45pm each Monday. For more information please head to the 'parents' section on the Girl Guiding website.

Why volunteer?

Volunteering provides a unique opportunity for people to learn skills, develop confidence, make new friends or simply help and support. People volunteer for a number of different reasons but whatever their reason may be, they are MAKING A DIFFERENCE!

Volunteering can...

- Improve your job prospects
- Allow you to meet people you wouldn't normally meet from lots of different backgrounds.
- Help you make a difference
- Be fun and exciting
- Give you some great experiences, memories and friends!

In the first week of June, volunteers are recognised nationally as part of 'Celebrating Volunteers Week'. This is a chance to say THANK YOU and recognise all the great work being done. The photo used for this page is from Volunteer Midlothian's 2015 ceremony.

In Midlothian, we have a high level of the population volunteering and on an annual basis the RDT volunteers have contributed over 500 hours to supporting community projects, events and people!

If you would like more information about getting involved in volunteering contact– info@rdtrosewell.org.uk, **0131 629 9398** or pop in to Rosewell Resource Centre, 85 Carnethie Street.

What we've achieved so far: Action Plan – 12 months

Issue

How to get more of the community involved in volunteering opportunities.

Action

To work with Rosewell Development Trust to locally promote volunteering and encourage those who can make a difference to take part.

Outcome

An increased knowledge and engagement between local community members and voluntary opportunities.

What we plan to achieve: Action Plan – 5 years

Issue

How to continue to build on the volunteering base the village already has and to involve new residents to the area.

Action

Continue work with Rosewell Development Trust to locally promote volunteering.

Outcome

An increased knowledge and engagement between local community members and voluntary opportunities.

Those who can, do. Those who can do more, VOLUNTEER!

JULY 2016

Rosewell the place to care for your environment!

During the consultations for the Rosewell Neighbourhood Plan it was found that a high level of responses included:

- The immediate need for more dog bins throughout the entire village
- The need for more litter bins and regular emptying of bins throughout the entire village

Rosewell Development Trust host monthly litter picks between March and September every year to encourage community members to come together and make Rosewell Beautiful! This allows residents to get to know each other and encourage other members to get involved.

In addition to the litter picks, RDT also works with the Primary Schools to develop posters encouraging people to become responsible dog owners as well as highlighting the importance of picking up litter.

Rosewell is growing in size and it was voiced that it is important not to lose identity as a small community. Bringing people together and providing opportunities for community involvement for all was suggested as a way to continually improve the area.

Speeding cars and traffic management was also a recurring issue that came back from our consultations. Ensuring the safety of our community members is something that is important to all of us as well as ensuring the pathways are clean, easy and accessible to use.

The Scottish 'Country Code' can be used as an excellent reminder of how all walkers, cyclists, horse riders and runners should use and respect the shared pathways within and surrounding the village.

RDT work hard to deliver woodland events which promote outdoor play and learning opportunities to children and adults. Working with Earth for Life and recruiting volunteers and apprentices for the projects encourages more people to access the woodland within the community.

What we've achieved so far: Action Plan – 12 months

Issue

Dog fouling and litter being found in various points within the community.

Action

RDT advised that they work closely with the community to highlight the importance of clean streets.

The Steering Group have successfully installed new litter bins in areas of the village with support from Midlothian Council.

Outcome

Cleaner, safer streets for people to enjoy using.

What we plan to achieve: Action Plan – 5 years

Issue

The growth of Rosewell and how this impacts the environment and identity of the community.

Action

Producing the Neighbourhood Plan as a calendar will advertise to current and new members of the community what a great place Rosewell is to live and showcase all the things that they can become involved in.

Outcome

Community members are proud and respectful of their environment and area in which they live.

Addressing the speeding through the village and lack of safe crossing points at the schools and shop.

Carry out further consultations throughout the village to see where speeding could be reduced.

To collate details of the consultations to allow for changes to local road safety.

What we've achieved so far: Action Plan – 12 months

Issue

Lack of community transport to allow groups of older people access to social events.

Action

Look into MIDAS community transport training for local residents who could volunteer.

Outcome

Local resident already qualified early 2015 and now available to offer driving support.

What we plan to achieve: Action Plan – 5 years

Issue

Need more direct bus services from Rosewell to Edinburgh city centre.

South end of village not reached by bus service.

Action

Meet with Lothian Buses to discuss how this can be achieved.

Seek extension beyond current terminus.

Outcome

A more attractive bus service appropriate to the needs of local residents will result in more people using buses.

Full coverage of whole village by bus services.

SEPTEMBER 2016

Rosewell the place to be Healthy and Well

Health

(Percentage of village population)

Health and Wellbeing are vital elements across all age groups within any community. Wellbeing means different things to different people and so access to a wide range of services, supports and activities need to be available. The correct balance between formal service provision, community support and individual responsibility needs to be achieved.

What Rosewell already has:

Local Primary Schools. A wide range of social activities offered throughout the year for both children and their families helping to keep people active and feeling part of their community. Healthy eating is promoted by both schools.

Stroll and Roll Walking Group for Mums and Buggies meets every Wednesday at 9:30am outside Rosewell Resource Centre during term time. Rosewell Development Trust also offer a wide range of outdoor activities throughout the year for all age groups including their very successful woodland projects.

Ageing Well. Range of activities available for those 50+ including walks every Friday at 1.30pm from Rosewell Parish Church Hall.

Prescription Delivery Service. Available to anyone in the village who requires it. For more details see the contacts section at the back.

Vocal. Midlothian Carers Organisation provides vital support for those providing unpaid care, preventing deterioration of their own health.

Midlothian Local Area Co-ordination Service. Supporting people to participate in their communities. The Local Area Co-ordination Service is based on a vision of a society where disabled people and their carers are valued as full and equal members of the community. For more information please call **0131 454 1785**.

Rosewell is well situated with easy access to FREE cycle paths, walkways, woodlands and open spaces.

What we plan to achieve: Action Plan – 5 years

Issue

Accessibility in Rosewell Park for wheelchair users.

No GP Surgery in the village especially given increasing population.

Lack of central location suitable for more healthy activities .

Action

Work with Community Council to raise the issue of requirement for wheelchair access to all areas of park.

Lobby for the provision of a GP service within the village.

Working in partnership with RDT to help shape a community hub that provides opportunities for more centralised healthy activities.

Outcome

Equity of access so that everyone can take advantage of the facility and the benefits that come from it.

Greater local access to primary care Health services.

Provision of a central location for the whole village which allows a range of activities for all ages through the year to promote good health and wellbeing.

OCTOBER 2016

Rosewell the place to age well

Rosewell is unusual in that the older population as a percentage of the total population is actually falling. This is likely to be as a result of the large number of family homes built in the village. Nonetheless this group have an active role within the community contributing their extensive skill, knowledge and experience.

Rosewell Population Characteristics - 2011

■ 65+ ■ 16-64yrs ■ Under 16

What's On:

Ageing Well offers local walks for those over 50 leaving from Rosewell Parish Church Hall at 1.30pm every Friday led by trained voluntary Walk Leaders.

British Red Cross Community Coordinators support individuals to participate in community activities.

Library Mobile Service For more information on when it visits Rosewell please contact Midlothian Council.

Rosewell Parish Church Hall hosts coffee mornings every second Saturday between 10am – 12noon.

Rosewell Lunch Club offers members a two course meal every Tuesday and Thursday between 12 noon – 1pm during term time within the Rosewell Resource Centre, 85 Carnethie Street.

Rosewell Tuesday Club meets every second Tuesday, 6 – 9pm between September and May at the Whitehill Welfare FC Social Club.

Rosewell Computer Club runs every Wednesday in the Resource Centre between 1.30pm – 3pm. Access to computer facilities are available free of charge Monday to Friday between 10am – 4pm'.

What we've achieved so far: Action Plan – 12 months

Issue

Lack of community transport to allow groups of older people access to social events.

Action

Look into MIDAS community transport training for local residents who may wish to volunteer to drive.

Outcome

Local resident qualified and available to offer driving support. Increasing social opportunities for older people.

What we plan to achieve: Action Plan – 5 years

Issue

Lack of community hub, thus increased isolation amongst older people.

Action

Working in partnership with RDT to share consultation results and feedback from older members of the community.

Outcome

Acting on the requirements of the older community to create a facility that provides opportunities for greater social inclusion.

NOVEMBER 2016

Rosewell the place to celebrate local history

Rosewell Local History Group have monthly meetings on Thursdays at the Rosewell Resource Centre.

This is a very active group which in 2015 have covered topics including:

- Mining
- Brickworks
- Railways
- St Josephs
- War deaths
- Bowling club
- Schools
- Healthcare

Rosewell currently has a lot of local businesses tucked away along the main street but in the past there were also many other traders accommodated within the village.

These included a Post Office, Police Station, Institute, Tavern, Co-operative, Butcher, Baker, Shoemaker, Chemist and Draper.

The history group would be delighted to welcome you along to share your own memories or to find out more about your village's past. For more details contact Rosewell Development Trust on **0131 629 9398**.

Meetings include guest speakers, film showings and outings to places of local interest. In 2015 the group visited the Mining Museum, Arniston House and Whitehill House.

Presentations have also been given at the local Primary School.

A Member of the History Group who has lived in Rosewell since childhood and grew up in a two bed mining cottage in Louisa Square commented that "there were thirteen of us in the house and we wanted for nothing".

For more information on local history, visit: Midlothian Local Studies and Archive Services. 2 Clerk Street, Loanhead, EH20 9DR

Tel: **0131 271 3976**
Email: localstudies@midlothian.gov.uk

What we've achieved so far: Action Plan – 12 months

Issue

To increase local awareness of the history group & events.
So membership can increase.

Action

Neighbourhood Plan to publicise the work of the history group and spread awareness.

Outcome

An increase in local commitment to the group to help keep the history of the village alive across all ages.

What we plan to achieve: Action Plan – 5 years

Issue

Keeping locals interested in the history of their village and nurturing a sense of belonging.

Action

Set up a "History of our Streets" project between RDT and the History Group which will be rolled out publically.

Outcome

History of the village is kept alive and passed on to younger generations.

DECEMBER 2016

Rosewell the place where everyone is important

For a small place there is certainly lots going on for everyone to get involved in, meet new people and look out for each other. Read below to find out more.

If you have babies and toddlers, Rosewell has FOUR groups which promote play and friendships.

There are two Mums and Tots groups running on a weekly basis throughout term time. One on a Monday between 10am – 12noon at Rosewell Parish Church Hall (£1.50) and the other on a Thursday at St. Matthew's Primary School between 10am – 12noon (£1.00).

In between, the free walking group Stroll and Roll meets on a Wednesday at 9.30am throughout term time at Rosewell Resource Centre.

To end the week, Chatter and Clatter is delivered at Rosewell Resource Centre between 10am – 12noon. Snack, games and activities run and an honesty box is provided.

For older children, more information about the Rainbows, Brownies, youth groups and Children's Craft Club can be found at the back of this calendar.

Every Christmas, Rosewell Development Trust host a Christmas Food and Toy Bank Collection. Collections start on the 16th November and can be handed into Rosewell Resource Centre, 85 Carnethie Street.

Rosewell Lunch Club welcomes over 50's to enjoy a two course meal every Tuesday and Thursday during term time. The meals include a starter and main or a main and a dessert. More information can be provided by calling Rosewell Development Trust on **0131 629 9398**.

Rosewell Parish Church – The church was built in 1871-72 and opened for worship in 1874. The first baptism took place in October 1874. There have been few changes to the exterior but the interior had a refurbishment in the late 1940's. The present organ was installed in 1903 and was gifted by James Hood as was the church bell as a memorial to his daughter in 1912. The church is deeply indebted to the Hood Family for the development of the church as we see it today. Sunday Service is normally at 11.30am unless joint services are being held for further details of church activities see the notice board outside the church.

St. Matthew's Roman Catholic Church is one of three churches serving the communities of Rosewell, Bonnyrigg and Gorebridge.

The Church, designed by Archibald McPherson, was built by local volunteers and completed in 1926. It is entered through a stylish archway and surrounded by extensive grounds, where many community events are held throughout the year.

During the winter months it's important to be mindful of your neighbours, especially those who are older, isolated or on their own. Be a winter friend and pop in to see them and make sure they're OK and that you all have everything you need during the winter months, such as torches with batteries (and spares), candles, extra tins of soup, spare blankets and a mobile phone charger.

What we've achieved so far: Action Plan – 12 months

Issue

Although there is a lot on there is no local Neighbourhood Plan in place to provide a voice for the community.

Action

Local people to develop a Neighbourhood Steering Group and plan a series of consultation events.

Outcome

Consultations held in 2014-15 at community events producing lots of feedback which is to be used for the longer term plan.

What we plan to achieve: Action Plan – 5 years

Issue

We need to deal with the lack of a central community facility where all ages are welcome for all events.

Action

To continue to work with RDT on the Community Hub project and ensure the Neighbourhood Plan supports the work required to see the project through.

Outcome

The delivery of a multi-use community facility for everyone to come together to learn, socialise and support each other.

Happy Christmas and all the best for 2017!

Taking the plan forward

The steering group has agreed that the action plan will be taken forward with the appropriate partners both statutory and voluntary. This will be achieved through collaboration with Councillors and Community Councillors and Midlothian Council Communities Team will continue to support the Neighbourhood Planning Steering Group and sub groups.

Following the launch of this plan the group plan to meet on the second Wednesday of each month in 2016 and we do need more volunteers to get involved and help move plans forward.

If you would like a copy of our full action plan or would like to be part of the Steering Group please contact Claire Armstrong on **cea38@outlook.com** or come along to one of the meetings noted on this calendar.

Current members of the Rosewell Neighbourhood Planning Steering Group:

COMMUNICATING CLEARLY

We are happy to translate on request and provide information and publications in other formats, including Braille, tape or large print.

如有需要我們樂意提供翻譯本，和其他版本的資訊與刊物，包括盲人點字、錄音帶或大字體。

Zapewnimy tłumaczenie na żądanie oraz dostarczymy informacje i publikacje w innych formatach, w tym Braillem, na kasecie magnetofonowej lub dużym drukiem.

ਅਸੀਂ ਮੰਗ ਕਰਨ ਤੇ ਖੁਸ਼ੀ ਨਾਲ ਅਨੁਵਾਦ ਅਤੇ ਜਾਣਕਾਰੀ ਤੇ ਹੋਰ ਰੂਪ ਵਿੱਚ ਪ੍ਰਕਾਸ਼ਨ ਪ੍ਰਦਾਨ ਕਰਾਂਗੇ, ਜਿਵੇਂ ਕਿ ਬਰੇਲ, ਟੇਪ ਜਾਂ ਵੱਡੀ ਛਪਾਈ ਸ਼ਾਮਲ ਹਨ।

Körler için kabartma yazılar, kaset ve büyük nüshalar da dahil olmak üzere, istenilen bilgileri sağlamak ve tercüme etmekten memnuniyet duyarız.

اگر آپ چاہیں تو ہم خوشی سے آپ کو ہر فرم میں کر سکتے ہیں اور معلومات اور دستاویزات دیگر شکلوں میں مثلاً بریل (بڑا انفرادے کے لیے) اچھرے ہوئے حروف کی کھدائی میں، ٹیپ پر یا بڑے حروف کی کھدائی میں فراہم کر سکتے ہیں۔

The Rosewell Neighbourhood Plan Steering Group have worked hard to collate all the results, statistics, key dates and useful telephone numbers. To the best of our knowledge these are correct at time of printing.

If we've made any errors or not included something that you would find useful for 2017, please let us know!
