Midlothian Moving Forward
Community Planning for Midlothian

Welcome

What is Neighbourhood Planning?

The Local Government Act 2003 places a duty on all public bodies to work together in a Community Planning Partnership (CPP). Midlothian Council has a key role in supporting the Midlothian CPP and has been working to produce neighbourhood plans in each of their sixteen Community Council Areas. This calendar is the plan that has been created to focus on Rosewell.

How did it all start?

Two years ago, Midlothian Council approached Rosewell Development Trust with the need to gather and recruit volunteers to sit as members of the Rosewell Neighbourhood Steering Group. After advertising, inviting and organising an initial meeting, 13 people came along as representatives of the community, local businesses, organisations and Midlothian Council. The purpose of the steering group was to gather local residents and organisations to discuss what was important to the community of Rosewell for current and future development to ensure we could improve local services, amenities and activities for all ages.

The Steering Group was in the fortunate position of starting with the community engagement feedback Rosewell Development Trust had already collated in 2013 and this information was used as a platform to start a more extensive consultation exercise. Throughout 2014 members of the group carried out a "Planning For Real" exercise which involved taking a large scale aerial view map of Rosewell to local events to engage the community in discussion on what was good about living in Rosewell and what needed improvement. Local residents and representatives had the opportunity to highlight with members of the group whether they felt there was a need to address issues at a local level with respect to the environment, transport, leisure, amenities, security and housing to name but a few.

The Consolidated feedback from these events was completed on 10th December 2014 and many locals who got involved were very complimentary of their local community and the support already in place from Rosewell Development Trust and the Rosewell & District Community Council. There was a re-occurring theme across all consultations that those living locally enjoyed the close proximity to green spaces and the countryside but everyone was keen to see the introduction of more leisure facilities, more activities for under 5's and for teenagers as well as suitable changes to amenities and transport to support the growing population and further new development which was underway.

On completion of the consultation phase and in combination with the results from the youth consultation led by the Rosewell Community Youth Leaders, the Steering Group worked on collating the results from the consultations and developed key action points to be worked on over a 5 year period up to 2020.

In December 2015 every home in Rosewell received a copy of the Neighbourhood Plan which took the form of a calendar. We decided to produce the plan in this particular format to provide everyone with a document they would find useful and keep in their home for reference throughout the year.

The 2016 calendar was so well received the Steering group agreed in January 2016 that it would be fantastic if we could produce a calendar each year for the duration of the 5 year plan.

In the production of our 2017 calendar we have invited as many local groups as possible to input to the copy, as well as continuing the theme from last year of "Rosewell, the place to be...", we have been delighted to have input from both schools, local youth organisations, Volunteer Midlothian and many more bodies involved in making Rosewell a busy hive of activity and opportunity.

The Steering Group is still bedding in a lot of the 5 year plan which was set out in the 2016 calendar and in order for this work to progress we urgently need more volunteers. You will see from the calendar pages for 2017 that we have moved our monthly

meeting to a Thursday night from a Wednesday night and we hope that this may suit more residents so they can come along and provide support and have a say. We only meet once a month for a couple of hours (excluding July, August and December) so it isn't a massive commitment and it would make a huge difference to our meetings in 2017 if we had more people coming forward, especially those who are new to the village.

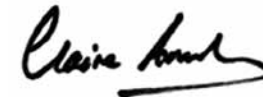

We are also delighted this year to have had the support of local businesses, Lothian Buses and Midlothian Council in the fundraising for the production of the calendar. Money was also raised by residents at local community events put on by Rosewell Development Trust. On behalf of the Steering Group may I say a massive thank you to all those who have contributed to making the calendar for 2017 possible.

Thanks must also go to our fantastic photographers who have helped contribute to the images that celebrate Rosewell on the front and back covers; these include Carol Perry, Gordon Elphinstone, Fiona Inglis, Rosey Haycox and Fiona Stratton. I may have also added one or two myself!

We are very proud of our calendar and delighted to be producing this for a second year for the community. As well as noting what needs improvement or addressing in future this document is also a celebration of much of the great work that goes on in our local community and we hope by the time you get through 2017 you will be better informed of what Rosewell has to offer, how you can get involved and what plans are still to come for our thriving community.

Rosewell the place to learn and have fun at St. Matthew's Primary

St. Matthew's Primary School

Working with some pupils from St. Matthew's Primary School, Rosewell Development Trust asked what they thought of their school.

The pupils told us that they thought their school is fantastic, great, awesome, cool, fun, exciting and the best!

They think it's welcoming because of the kind teachers and nice friends that they have. They also like their big playground, the safety of their school, trips, games, break time, Golden Time, reading and being able to use the school iPads to support them in their learning.

The pupils talked to us about the Parent Council and what they do. The Car Boot sale, Christmas Party and Macmillan Coffee Morning were all favourites of the children and they valued the importance of fundraising initiatives for the school.

We asked them what they would like in their school. Through discussion their wishes were:

More Pupils to share their school with and make new friends.

More Toys for the Mums and Tots group, which runs on a Thursday, 10am-12pm and the playground.

Other Play Things like slides, swing sets, climbing frames, sand pits and permanent football goals to enjoy in their playground.

If you are able to help with a donation or company donation, please get in touch with the school.

The pupils also told us about how important it is to learn about the history of their community: that it's good to learn, so we can tell other people the information and because it's interesting.

Rosewell the place to GROW

Rosewell Grows Gardening Project

Rosewell Grows is a project that is both a Summer Club and After - School Club dedicated to teaching children about gardening, involving adult volunteers and encouraging healthy lifestyles for all who are involved.

During the School term, Jess, one of the Community Activities Coordinator's from Rosewell Development Trust works in the gardens of Rosewell Primary School, St. Matthew's Primary School, the Rosewell Development Trust grounds and the Tree Maze in Rosewell Park.

The project provides a fun environment for children (and adult volunteers) to learn about soil, planting, crop rotation, insect and wildlife habitats, water collection, harvesting and general garden maintenance.

Volunteers are always welcomed into the project. It provides a great opportunity to learn and develop gardening skills, build positive relationships with children, share knowledge and build up communication and confidence! If you're interested in supporting this project as a volunteer, please email: community@rdtrosewell.org.uk or call 0131 629 9398 for a friendly chat and more information about the project!

RDT Woodland Projects at Thornton Woods

Over the last five years, Rosewell Development Trust have worked in partnership with Earth for Life to deliver engaging, hands on woodland projects involving children, young people and their families. These projects have always been popular and over-subscribed so over the past six months, staff at Rosewell Development Trust have worked hard to gain funding to develop an Outdoor Classroom. This Outdoor Classroom will enable Rosewell Development Trust to deliver a lot more woodland projects, expand the service users who they can work with and encourage more groups to come and spend time in the beautiful, peaceful setting to learn about observation, woodland management and mindfulness with nature.

Thornton Wood is home to groups such as Earth For Life's 'Branching Out project' and the projects that involved the Rosewell Junior Rangers hosting community days, training members of the community in looking after the woodland and providing opportunities for young people to gain Apprenticeships and work experience.

How to register your child for 'Rosewell Grows' or the Woodland projects:

Children will be notified about registering and signing up for the project sessions through a leaflet they will be given at school. There's also lots of information displayed throughout the village, on the Rosewell Development Trust Facebook page and the @RosewellDT Twitter page.

What we've achieved so far: Action Plan – 12 months

Issue

No all year round shelter for RDT and Earth for Life Woodland projects or lack of outdoor gardening education for children.

Action

Rosewell Development Trust secured funding for an outdoor woodland classroom and funding for sessional staff to deliver outdoor projects.

Outcome

Woodland classroom will enable expansion of projects, promote outdoor education and develop skills. The 'Rosewell Grows' gardening project has engaged and is continuing to develop the skills of children.

What we plan to achieve: Action Plan – 5 years

Issue

Lack of regular woodland events for children, young people, families and adults.

Action

Rosewell Development Trust will build the Woodland Classroom and develop a comprehensive and inclusive calendar of events and training to involve the local and wider community.

Outcome

To have a Woodland Classroom for all members of the community to learn in and enjoy.

Rosewell the place to join the Scottish Women's Institute!

The 'Scottish Women's Rural' as it was formerly known celebrates its 100th Birthday this year! While it is a time to look back over our history with pride, we are today a modern, lively organisation but still with the aim of bringing women together in friendship and fun. 'Rosewell Women's Institute' was formed over sixty years ago and is generally referred to as 'The Rural'.

Our Rural in Rosewell is quite small but is very friendly, welcoming and is a great group to be part of. We often join with other Midlothian and Scottish Rural's for outings, sporting activities, choirs and guest speaker events.

We meet on the first Monday of the month between 7pm – 9pm from September to May in the Rosewell Resource Centre, 85 Carnethie Street. Members are welcome from the age of sixteen and we currently have members of various ages!

We encourage members to come along, join in and enjoy the company of other women whilst listening to or taking part in the various demonstrations and talks that we have. The competitions are for fun and also to encourage our members to demonstrate their hidden talents!

Our syllabus from January to May 2017 offers a wide variety of talks and demonstrations and each month offers something different.

Rosewell the place to keep clean for all

Green Dog[®] Walkers

The Green Dog Walkers Scheme is a community led initiative to help combat dog fouling in Midlothian.

Green Dog Walkers is a non-confrontational, friendly way to change attitudes about dog fouling. Volunteers wear a green dog walkers armband or their dogs wear the green dog walker lead/collar which signifies they have "taken the pledge" to always:

- Clean up after their dog
- Wear the armband or put the green dog walker collar/lead on their dog when walking their dog
- Carry extra dog waste bags
- Be happy to be approached to give a dog waste bag to those without
- Be a friendly reminder to other dog walkers to clean up after their dogs

93% of owners pick up, don't be in that 7%, bag it and dispose of it. You can put bagged poo in any bin.

We would like to set up a Rosewell Green Dog Walkers group. The group would help to administer and publicise the campaign in the area. A started pack would be provided and we would aim to organise 2 promotion events a year.

For more information call **0131 561 5284** or email greendogwalkers@midlothian.gov.uk

If your bin doesn't get collected, you maybe need a new bin or you need help putting your bins out please call **0131 561 5284**.

AUGUST 2017

Rosewell & District your Community Council the place to find out about community

Community Councils bridge the gap between local authorities and communities and help to make public bodies aware of the opinions and needs of the people they represent.

Our primary purpose is to ascertain and express the views of the community to the local authority and other public bodies.

Rosewell & District Community Council is consulted by the Scottish Government, Midlothian Council, The Police, The Crown Estate and numerous public and charitable organisations on all matters affecting Rosewell, such as major planning applications, roads and traffic, transport, education, health, environmental and community issues.

We hold seven meetings per year in Rosewell Parish Church Hall. You'll find dates and times on our website: www.community-council.org.uk/RosewellandDistrict and on the Community Notice Board in the public garden area at the corner of Carnethie Street/Gorton Road.

All of these meetings are open to the public and we invite all residents to come along and have their say. Elections are held every 3 years, and residents of Rosewell & District aged 16 or over, who are on the electoral roll, can stand for election.

Our Community Police Officers and Local Councillors attend our meetings to give their reports and discuss any issues residents wish to raise. The Police update

is on the Rosewell Crime Statistics – not as bad as it sounds! And Local Councillors will keep you aware of what's going on in Midlothian Council.

Occasionally, we have guest speakers on topics such as new housing developments, consultations, local issues, etc. Developers are now required to consult community councils prior to submitting major planning applications. We always invite them along to community council meetings so that you can meet them face to face and ask them questions on how any new developments affect you.

Rosewell & District Community Council Elected Members

The Rosewell & District Community Council (RDCC) is made up of elected members from the Rosewell area, who have to be resident and registered to vote within the Community Council boundary. The RDCC can also choose to have co-opted representative members.

Your current Rosewell & District Community Councillors are all elected unpaid volunteers who offer their time and commitment to our community.

Why not come along to our next meeting and see for yourself what we do? You can either sit in the audience and just listen, or let us know if there's anything at all we can assist you with that will help make community life better for you. Our meetings are quite informal and we'll make you very welcome.

Issue

In early 2014 Midlothian Council undertook a final consultation on the scheme governing Community Council responsibilities, organisation and management. The consultation ended on 28th May 2014 and the council has approved the final scheme. As a result, all Community Councils have 3 years to review their constitutions.

Action

Rosewell and District Community Council have until early 2017 to get a revised constitution submitted to Midlothian Council Legal Department.

SEPTEMBER 2017

Rosewell the place to learn and have fun at Rosewell Primary School!

Rosewell Primary School

Rosewell Development Trust asked a handful of pupils from Rosewell Primary School some questions on what they thought about their school.

The pupils think their school is nice, unique, fun, active and hands on when it comes to their learning. They told us that they like their teachers and fellow pupils, they like the big playground which gives them lots of space to have fun, they also enjoy the after school clubs that are on offer, the library and learning musical instruments like the violin and drums.

We talked about the Parent Council at Rosewell Primary School and how it plays an important part in raising funds for the school and also for charity. The events and activities held by the Parent Council helps bring people together within the school community.

When asked about what new things they would like to see in their school, the pupils told us that they wish for a fun playground. They would like more obstacle courses to play on during their breaks and a new AstroTurf football pitch.

If you are able to help with a donation or company donation, please get in contact with the school.

The pupils also told us what they know about Rosewell's mining history and that it's important to learn about the history of their community so they can share that knowledge with other people they meet throughout their lives.

OCTOBER 2017

Rosewell the place to stay healthy and active

Your health and wellbeing starts with you

It is important to remain healthy and active throughout life, especially as you age. Staying fit can add years to your lifespan and really improve your overall well-being. It is really quite simple if you stick to the basics.

Try making a few changes that you think you will be able to manage, and then stick to them for a couple of months.

**Small changes
make big differences.**

Tips for staying healthy and happy

Being Active

Keeping up levels of physical activity helps us to prevent long-term illness like cancer and diabetes. It's good for our mental health, and don't forget it can be fun too! Here are some suggestions:

- ✓ **Get up and walk** – with a friend or join a group
- ✓ **Take the stairs** – try to avoid lifts and escalators
- ✓ **Dance** – put on some music and just go for it!
- ✓ **Get on your bike** – use local cycling tracks
- ✓ **Take up a sport** – it's never too late

Fighting Fit

Are you ready for flu season? It's that time of year again. The flu vaccination is the best way to protect you and your family from this potentially serious but preventable disease.

Maintaining a healthy diet and taking regular exercise also helps protect you too!

Getting Involved

✓ **Taking part** – meet and get to know people – see below.

✓ Community projects

RDT Volunteers e.g. Litter picks, Woodland Programmes.

✓ Walking groups

Stroll & Roll for Mums and Buggies meets every Wednesday at 9.30am during term time, outside the Rosewell Resource Centre.
