Community Police information

Rogue traders and bogus callers operate throughout the year but become more frequent after spring. Current restrictions mean more people are at home when they would usually be at work, and as a result they may encounter more doorstep callers who know householders will most likely be in when they ring the doorbell.

Police Scotland is asking the public to follow its advice if they receive an unexpected, and unknown, caller at the door:

- Always ask for identification;
- Never feel pressured into making an on the spot decision;
- Never hand over money on the doorstep.

More advice can be found on the Police Scotland website and via Trading Standards Scotland.

Community Officers would also like to take this opportunity to remind you all that we can conduct security surveys on domestic properties and rural establishments such as farms. If anyone is interested please contact police at the email address below.
