OFFICIAL

If you live in the Lothians and Scottish Borders, help shape policing in your community by taking part in our survey.

As Commander of the Lothians and Scottish Borders Division I am proud of the well-established collaborative approach we have in place with local communities and partners to deliver our shared priorities.

We are now in the process of developing the next Local Police Plan which will outline priorities from 2023 until 2026. I am committed to ensuring that this is fully reflective of the needs of local people and based on engagement to identify the things that are important to our communities.

In order to make that engagement as effective and meaningful as possible we have developed the annual 'Your Police' survey which I would encourage you to complete. This will enable us to consider your views and incorporate them into our key priorities and actions, ensuring they remain reflective and relevant.

The survey can be accessed via the attached QR code or by visiting [Your Police 2022-2023 - Police Scotland - Citizen Space](#)

Alternatively, if you would like a hard copy of the survey, please contact your local policing team who will be happy to assist.

Thank you for helping shape the service we provide.

*Chief Superintendent Catriona Paton
Commander
J Division*

Community Officers would also like to take this opportunity to remind you all that we can conduct security surveys on domestic properties and rural establishments such as farms. If anyone is interested please contact police at the email address below.
