Join us to help improve health and social care for Midlothian’s people

First meeting...
Thursday 3 September 2015, 2pm—4pm
@ Dalkeith Arts Centre

Getting help with your health
Many people have told us they value the support they get from others. The Health and Social Care Partnership wants to increase access to peer support.
• What types of peer support do people need?
• What can we all do to develop peer support?
• Is there enough information about peer support?
