What a waste?

Tuesday 27 June 2017, 2pm—4pm
@ Gorebridge Parish Church Hall

Do you have ideas about how we can reduce waste in health and social care? Have you ever thought “What a waste?” or “Why don’t they do it differently?”.

We know we need to work together to reduce waste, be more efficient and still provide good quality care. Come along to hear why, learn what we are doing already, and tell us your ideas.

Join us for interesting, lively debate!
