December 2015 – February 2016
20 questions. 10 minutes. Your voice.

The Royal College of Paediatrics and Child Health (RCPCH) is reviewing hospital services for children in Lothian and we want to hear from you.

Help us by sharing your experiences to help shape the future of care in your area.

The survey is anonymous and confidential and should take no longer than 10 minutes to complete.

The answers you give will help us find out how families use the services when children are unwell, and what arrangements in future will ensure they receive safe care as close to home as possible.

Take our survey
