

King Charles III Coronation

Big Help Out

Monday 8 May, 2023

King Charles III has expressed a wish that on the Bank Holiday Monday (8 May, 2023) that marks his coronation the people of the United Kingdom will get together and help out on volunteers jobs across the country.

Elsdon Parish Councillors discussed the proposal at its last meeting and have identified a project that would help supporting the local area. There is an area of the village green that due to it often wet conditions was not cut during 2022.

Consequently for the health of the area as well as visual impact the Parish Councillors are proposed that the long grass is cut and removed to allow new growth and hopefully wild-flowers to grow.

If you are able assist for even just a short time then the idea is to meet near the pinfold at 10.30 on Monday 8 May, 2023 to agree actions. Due to lack of resources if you have a trimmer you can bring to use that would be beneficial otherwise alternative cutting equipment would be useful. Please also bring along suitable gloves and appropriate clothing for such a task as well as a few bags to collect the cuttings.

Hoping the weather will be kind that weekend it is proposed to work for a couple of hours or so before retiring to the Bird in Bush for a drink.

If you are able to assist or have any questions please contact the Parish Clerk at elsdonpc@hotmail.co.uk

The Parish Councillors look forward to seeing you there.
